

Dear Windsor Park Family,

There are a couple of things I would like to update you on about our church after the shelter in place order. I want to reassure you that it will not impact our online services at this time. It will also not hinder your ability to connect with us. Please feel free to contact the church office with any needs you might have. The number one thing I want you to know is that you are not alone. We are still going to be the church and we are still going to be reaching out to you and striving to meet your needs and the needs of the community.

In order to encourage you **I want to make you aware of couple of resources**. The first resource is [Right Now Media](#). The church has had this resource, but we have not utilized it to its full extent. It is like a Christian Netflix. There are videos, devotionals, Bible studies, and a lot of resources for the whole family and much more. If you would like to utilize this resource contact the church office and we will email you a login. Our second resource is called [Dwell](#) it is an app you can utilize on your smart phones and you can listen to the word of God read to you in a variety of voices, accents, translations, and background music. The app also provides a variety of playlists which focuses on different themes within the scriptures. We have this resource free for the next 60 days. The final resource is that I will be providing some brief devotionals to help us see the good that is coming about in the midst of all of this. I do hope these resources will bless you and encourage you during this time.

We will plan as follows:

- We will continue to follow the recommendation of the CDC for our gatherings.
- We will continue to have our school closed until CDC recommendations change.
- We are having our facilities deep cleaned during this time.
- We are researching additional technology to help us connect.
- We do have the office open at this time for any needs that you might have.
- We will update you as necessary throughout the season of this threat.

Please know that we are striving to make the wisest decisions in the light that we have. We continue to trust our good God. During this time I would remind us all to take this opportunity to pray for our country and one another. Remember to reach out and check on one another. Additionally, you can continue to remain faithful in supporting the ministry of the church with your tithes and offerings in one of four ways.

Ways to Give:

- [By mail](#) or [in person](#) to the church office Monday-Thursday 8:00am-5:00pm
- Text "Windsor" to **73256** to give. (By Phone)
- www.windsorpark.com/give/ (Online Giving)

Thank you all for being such a wonderful church and for your understanding. We care for you and are praying for you and will do anything we can for you during this trying time. We love you!

Sincerely,
Pastor Matt
